CSR | Connecting Hearts

We prioritize giving back to our community during Giving Day and Christmas, supporting various charitable organizations wholeheartedly while enjoying festive activities like having an in-house Santa and singing carols.

INDIA

- Missionaries of Charity
- Udavum Karangal
- Cancer Institute
- India Sports Promotion Academy (ISPA)
- Don Bosco Vazhikaatti (DBVK)
- Ottapalam Welfare Trust (OWT)

AUSTRALIA

- Pollinate Group
- Ready Set

RADA | Women At Work

Carisma's Women at Workplace program RADA (Raise & Develop Association) is more of a movement than a mere formality. It was initiated and curated by Jonah Stephen in 2013. Carisma's vibrant team of professional women weave out well-planned activities around the year that energize and engage the women at work and everyone in the organization. RADA strives at enabling working women to develop confidence, share knowledge, unleash passion, and enhance their potential at work, in family, and in society.

Events

We celebrate special events like:

Diwali Celebration – A day long celebration with singing, dance, awards, good food and togetherness.

Christmas Charity – The Giving day charity event that encourages us and our people to give back to those in need.

RADA Annual Day

(Raise & Develop Association | Women in Work group)
A joyous day where we award an inspiring women leader with the RADA Annual Award and release our Annual Yearbook among many esteemed guests and well-wishers.

Client Connect Programs

We hold Australia India Connect programs where our clients get to experience the possibilities in India, engage with Indo Australian organizations and leaders and experience our rich culture.
